*the new front doors*

### Almost there!!!!

On 21 December, we had cakes in the Gymzaal for the workers. We had a few small setbacks, so they will still be working between Christmas and New year to get everything ready for the first Lekkernassûh market on 3 January, but that cake was more than well deserved. Have a look at the pictures on the next page.

It is going to be really beautiful and we hope to see you all soon in the Gymzaal.

We are still going to need quite a lot of help:

- **on 2 januari** to unload a container of kitchenware and bring in the stuff we stored in the backyard.
- fitting the kitchen (date to be determined)
- the remaining paint work (doors, hall, window frames; dates tbd)
- building the large cupboard (dates tbc)

And of course we are looking for people who would like to be active in developing this beautiful place (communication, hosting, website). **Do send us an email!**

**HAVE A LOVELY FESTIVE SEASON!**

*the A-team: Marijn (LVDH), Theo (AVS -the contractor), Corine (the architect)*

*hanging the lamps...  
and that is one!*

*fitting the last panels by the stairs*
